

MUNIS CLOUD LOG IN

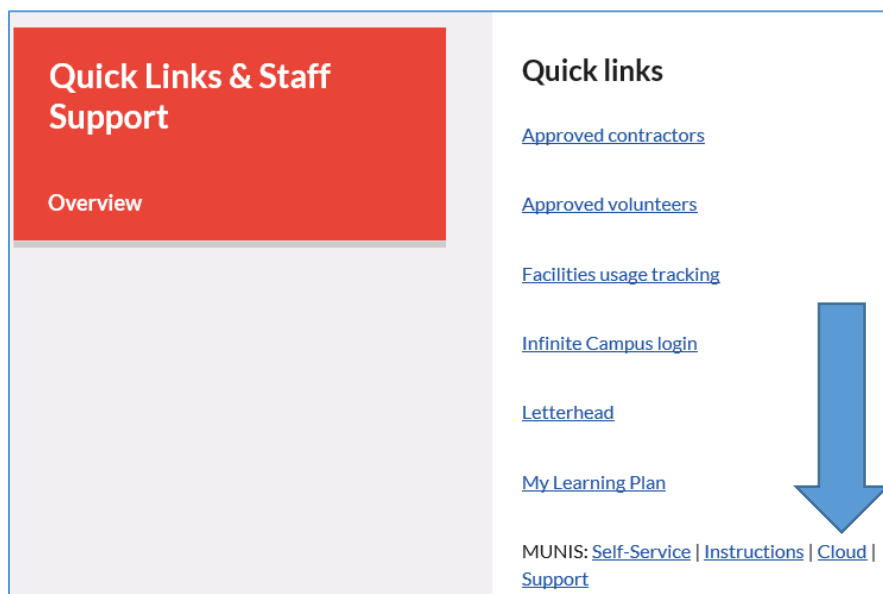

Open fcps.net and click on Staff.

From the Staff menu dropdown select Quick Links & Staff Support.

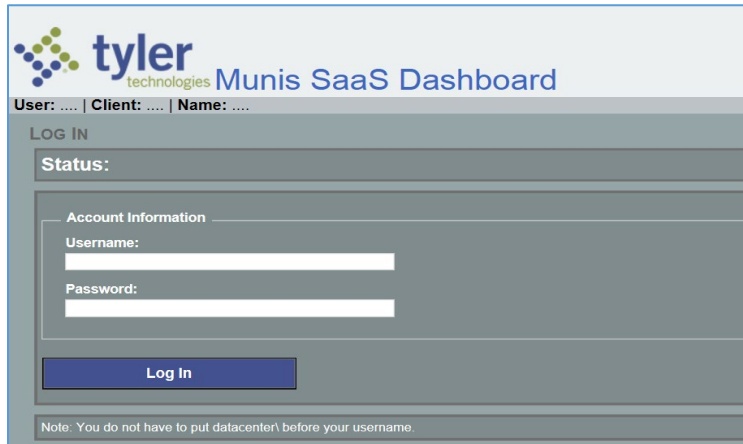

Select Munis Cloud from the Quick Links. (Select Munis support for MUNIS “how to” documents.)

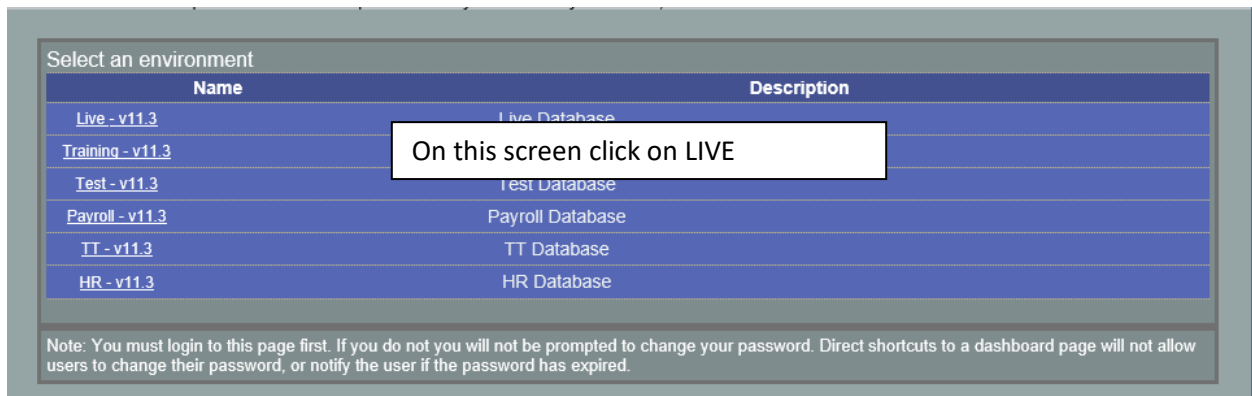

MUNIS CLOUD LOG IN

When the Munis log in screen below opens, enter your MUNIS ID: 9165+your emp no and password

The screenshot shows the Tyler technologies Munis SaaS Dashboard login interface. At the top, it says "tyler technologies Munis SaaS Dashboard". Below that, there are fields for "User: ...", "Client: ...", and "Name: ...". The main section is titled "LOG IN" and contains a "Status:" field. Underneath is the "Account Information" section with "Username:" and "Password:" input fields. A "Log In" button is located below the password field. At the bottom, a note reads: "Note: You do not have to put datacenter\ before your username."

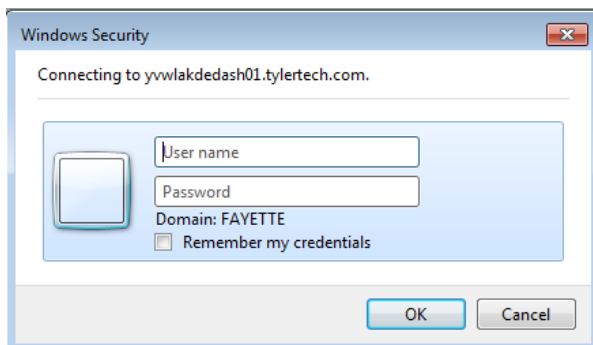

The screenshot shows a "Select an environment" screen with a table of environments. A white box with the text "On this screen click on LIVE" is overlaid on the "Live - v11.3" row.

Name	Description
Live - v11.3	Live Database
Training - v11.3	Training Database
Test - v11.3	Test Database
Payroll - v11.3	Payroll Database
TT - v11.3	TT Database
HR - v11.3	HR Database

Note: You must login to this page first. If you do not you will not be prompted to change your password. Direct shortcuts to a dashboard page will not allow users to change their password, or notify the user if the password has expired.

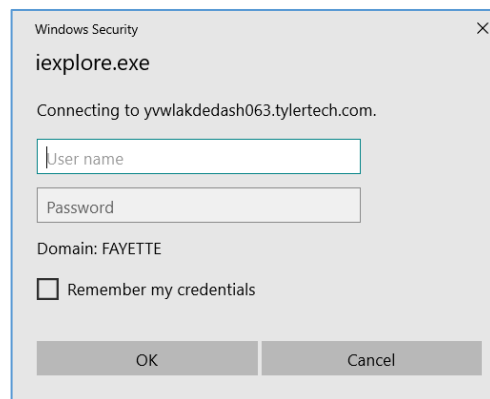

You will receive one of the prompts below depending on whether you have Windows 7 or Windows 10 on your computer. Enter datacenter\9165+your emp no. The Munis dashboard will open.

(Windows 7 prompt)

The screenshot shows a Windows Security dialog box titled "Connecting to yvwlakdedash01.tylertech.com.". It has input fields for "User name" and "Password", and a "Domain: FAYETTE" label. There is a checkbox for "Remember my credentials" which is unchecked. "OK" and "Cancel" buttons are at the bottom.

(Windows 10 prompt)

The screenshot shows a Windows Security dialog box titled "Connecting to yvwlakdedash063.tylertech.com.". It has input fields for "User name" and "Password", and a "Domain: FAYETTE" label. There is a checkbox for "Remember my credentials" which is unchecked. "OK" and "Cancel" buttons are at the bottom.

The first time you open a program in this log in session you will be prompted to log in again. Use the same log in as shown immediately above.
